ABOUT US

Tianqi City is a forward-thinking green energy company dedicated to building a sustainable future through advanced lithium battery solutions and clean energy technologies. We design, manufacture and deliver high-performance energy storage systems that empower industries, businesses and communities to transition towards a cleaner, smarter and more efficient tomorrow.

WHO WE ARE

We are innovators, engineers and visionaries working together to redefine energy storage with reliable, safe and sustainable lithium battery solutions.

OUR MISSION

To accelerate the world's transition to clean energy by delivering innovative, safe and sustainable battery solutions.

OUR VISION

To be a global leader in lithium battery technology and green energy solutions creating value for people and the planet.

OUR VALUES

- Sustainability
- Innovation
- Quality
- Integrity
- Customer Focus

WHAT WE DO

LITHIUM BATTERY MANUFACTURING

High-performance lithium batteries built for safety, efficiency and long life.

CLEAN ENERGY SOLUTIONS

Integrated solar and battery systems for residential, commercial and industrial use.

ENERGY STORAGE SYSTEMS

Advanced BESS solutions for grid support, backup and peak shaving.

SUSTAINABLE PRACTICES

Eco-friendly processes and responsible sourcing for a greener tomorrow.

A BETTER FUTURE TOGETHER

Empowering a cleaner, smarter and more sustainable world for generations.

OUR OBJECTIVES

Our objectives define our purpose and drive our actions. We are committed to building a cleaner, greener and more sustainable future through innovation, quality and responsibility.

1. DRIVE INNOVATION

Continuously innovate and develop advanced lithium battery and clean energy solutions that meet the evolving needs of the world.

2. ENSURE QUALITY

Maintain the highest standards of quality, safety and reliability across all our products and services.

3. PROMOTE SUSTAINABILITY

Minimize environmental impact through eco-friendly processes, efficient resource use and responsible sourcing.

4. CREATE VALUE

Deliver long-term value to our customers, employees, partners and communities through trust, integrity and excellence.

5. ACCELERATE CLEAN ENERGY

Empower the global transition to clean energy by providing efficient energy storage systems and green solutions.

6. BUILD A BETTER FUTURE

Contribute to a cleaner, greener and more sustainable planet for future generations.

OUR PURPOSE

To power a sustainable world with smart energy solutions that inspire progress and enhance life.

OUR GUIDING PRINCIPLES

INTEGRITY

We do the right thing, always.

INNOVATION

We embrace new ideas that drive progress.

COLLABORATION

We grow stronger together.

RESPONSIBILITY

We care for our people and our planet.

OUR AIM, OUR VISION, OUR MISSION

Guided by purpose, driven by innovation and committed to a sustainable future.

OUR AIM

To become a global leader in lithium battery innovation and clean energy solutions by delivering exceptional value and powering a cleaner, greener world.

Lead in advanced energy storage technology and innovation.

Build strong partnerships and deliver value to all stakeholders.

Drive positive environmental impact and support a sustainable planet.

OUR VISION

To envision a world where clean, reliable and intelligent energy storage solutions empower communities and industries to thrive sustainably.

A future powered by renewable energy and smart storage technologies.

Communities and industries empowered by reliable and sustainable energy.

A responsible ecosystem that ensures energy for generations to come.

OUR MISSION

To design, manufacture and deliver high-performance lithium battery and clean energy solutions through innovation, quality and sustainability.

Deliver advanced, safe and reliable lithium battery solutions.

Promote clean energy adoption through efficient and scalable solutions.

Operate sustainably with a commitment to quality, safety and environmental responsibility.

WHY CHOOSE TIANQI CITY?

More Than Energy. A Smarter, Greener Tomorrow.

ADVANCED TECHNOLOGY

Cutting-edge lithium battery solutions designed for higher efficiency, safety and longer life.

SUSTAINABLE FUTURE

We are committed to clean energy and a greener planet for generations to come.

SUPERIOR QUALITY

World-class manufacturing standards with rigorous testing for reliability and performance.

INNOVATIVE SOLUTIONS

Continuous research and development to deliver smarter, more efficient energy storage solutions.

TRUSTED PARTNER

A reliable partner for businesses, industries and communities globally.

POSITIVE IMPACT

Empowering people, industries and communities with cleaner energy for a healthier, brighter tomorrow.
